

## KIA ORA / WELCOME TO PARENTS / CAREGIVERS OF RANGEVIEW INTERMEDIATE

I trust everyone had a safe and relaxing holiday. Term 3 is traditionally a busy term with such major events as Production, Enrolment Days, as well as the usual sporting and cultural events.

We welcome our new staff members who have joined us, Mr Gary Wood, Associate Principal and Mrs Diana Ozich (Room 19). I would also like to welcome back Mr Matt Balchin who has been away on leave.

As we continue with the winter months, I would like to remind parents and caregivers that the school jacket is still on sale from the office.

### **Parent /Teacher Interviews**

On Monday 26th July parent/teacher interviews are to be held. The school will be closed at 12 noon this day and the school buses have been notified. Your child was issued with an interview time schedule on the last day of term with their reports. **We request that this is completed and returned to the school by Wednesday 21st July.** The classroom teacher will confirm your appointment time and your child will bring this home to you. Should you require assistance in finding a classroom, please come to the office where our Executive Leaders will assist you.

**The school office will remain open during this time for purchase of uniform or to pay any school monies i.e. school fees, camp, overseas trips etc.**

### **School Absence**

The school requests that parents/caregivers phone the school and inform us if your child is to be absent from school for the day. Rangeview employs an attendance officer and absentees are monitored on a daily basis. School attendance is a legal requirement and those with continual absences will be notified to the Truancy Service.

### **Icon Photography—Fundraiser**

Rangeview will be holding a fundraiser with Icon Photography on 1st August. The cost for the photo sitting is \$10.00. Students have been issued with an appointment form, but should you require another, your child can collect one from Mrs Anitelea in Room 17. Please return the form and money to Mrs Anitelea in Room 17.

### **Melbourne Trip**

In the last week of last term, a group of excited students and 2 teachers left for a 10 day overseas experience to Melbourne. The group got to see and experience so many different things and all have so many great memories of the things they did. The students represented the school and New Zealand with pride. The Australian public often commented on how well behaved the students were and smart they looked in their travel uniforms. Some of the many highlights of the trip for the students included shopping at the markets, the AFL game at the MCG, experiencing 'The Edge' up Eureka tower and trying out every ride at Luna Park. Hand feeding the kangaroos and patting a Koala, as well as spending a day at Sovereign Hill in Ballarat, will be memories the students will have forever. The students were sad when the trip came to an end, but are also pleased they took the opportunity of an overseas experience while at Rangeview and would love to go again next year, as they had so much fun.

### **Mufti Day**

Congratulations to pupils in Ngauruhoe for being the winning house for Term 2. You have been awarded a free mufti day on Thursday 29th July. Please ensure that the mufti day dress standards are adhered to.

### **Balloon Day Fundraising**

Congratulations to our school who came first in the Balloon Day Fundraising Competition in the Primary/Intermediate section for the Asthma Foundation. We have won a Sony Cyber Shot 8.1MP camera. Thank you to all who gave to this worthy cause.

### **Rangeview's Got Talent**

Rangeview's Got Talent started off at the beginning of last term in search for the most talented students. After an extensive elimination process, a final seven acts were selected to perform in a special assembly that took place on Wednesday 30<sup>th</sup> June. A combination of dancers, musicians and singers embraced our stage with outstanding talent that showcased their hard work and dedication towards this competition. Each competitor was judged twice in two separate assemblies. After much deliberation and careful consideration, Tualega Mose was announced the winner of Rangeview's Got Talent for 2010 with an outstanding dance routine. Josiah Williams placed a very close second with his rendition of Justin Beiber's song 'Baby, Baby, Baby'. Gloria Kim placed an equally close third, with an inspiring piano piece. A huge congratulations to all of this year's contestants!!

### **Buses—Swanson East & West Party Buses**

On the last day of term students were issued with letters from the Party Bus company explaining that they will be combining the two school bus routes together. The 441 bus has been dropped for the morning run and will be combined with the 442 bus route. This will commence on the 26th July. This only applies to the morning run. ### **Hockey**

On Saturday the Rangeview team played against a very strong and skilled team from Elim Christian College. Despite the efforts of our defenders, the Elim team outplayed us and won 2 – 0. Nathan Clark Room 3 was player of the day. He played hard and persisted, even though for most of the game he was marked by more than one of the opposition. Another notable player for the day was Josiah van Beynen Room 34 who had a few runaway near goals and kept working hard to get back in time to defend. No more games until the 24<sup>th</sup> of July.

In term 3, we have again been given the opportunity to train at Kelston Boys' High School (KBHS). The children who attend this training are coached by skilled seniors from the school. Players who attend this training will be given the opportunity to participate in a tournament organised by KBHS towards the end of the term. This tournament is always a highlight on the hockey calendar. The training at KBHS is open to new and experienced players, if your child is interested send them to Room 12 to get a notice.
