KIA ORA / WELCOME TO PARENTS / CAREGIVERS OF RANGEVIEW INTERMEDIATE

Despite last weeks changeable weather, we managed to run our school cross country, and have now selected the team to represent our school at the zone day this coming Wednesday.

On Tuesday we have another Open Day scheduled, to welcome prospective students for 2011.

This week, we welcome visitors from our sister school Atagohama Elementary School in Japan. We will be having a welcome assembly in the school hall at 10.40 on Thursday.

We have been fortunate to have been given, by Bike West, reflective back pack covers for our students who regularly cycle to school. These will be issued to cyclists later in the week.

The behavior of some students on the Rangeview school buses, is again of great concern. Bus behavior expectations can be viewed on the school website.

Mufti Day

Thank you to all those who supported our Mufti Day for Kabanze, our World Vision sponsor child. Many students were very creative in their use of green (the prominent colour of the Zambian flag). Congratulations to the winner, Shayal Deo from Rm 17, well done. The most unusual fact was won by Min-Ji Yang in Rm 18 – ‘ It is claimed there is only three iphones owned in Zambia yet they have a population of approximately 13million people, three times the population of NZ’ . A great day that was well supported. Total raised was \$1510.00.

Duffy Entrepreneur Club Inter School Money Competition

Rangeview Intermediate participated in an inter school workshop/competition run by the Duffy Entrepreneur Club, based on money.

Approximately 40 children, both year 7 and year 8 participated in a motivational and educational hour which challenged children’s views and understandings of money and expenditure in our lives today and for their future.

Children calculated interest and loan repayments, payments on credit card, expenditure banking terminology and assets and liabilities verses expenses and income.

The two winning teams each won a Nokia 1325 CDMA phone and will be representing Rangeview at the grand final later this term at Auckland University.

Congratulations to the following recipients;

Ruth Huang Room 20, Stefanie Kouch Room 28, Monica Kang Room 28 of RMS 97.

Tyler McCarthy Room 24, Seb Wiczorek Room 24, and William Eddleston Room 24 from Ebos Fire.

The winners of the Quick Fire Question who also won phones, went to Emily Yi Room 29 and Vishal Jamnadas Room 16.

Thank you to all the children who participated and represented our school in such a positive way.

Congratulations

Congratulations to Brahm Richards from Room 28 who won the Auckland Wrestling Championship in June for under 38kg. Brahm also competed in the New Zealand Wrestling Club Championship and won this title last weekend. Well done Brahm.

Auckland Champs Netball

What an exciting day we had. The girls looked amazing in their new uniforms and the boys had us biting our finger nails with anticipation. Results: 1st Girls Y7 team, 2nd Boys Y8 Team & 3rd Girls Y8 team.

Western Zone Basketball

A condition of the zone basketball is that we must supply our own referees. If you are able, or know someone who is able, please contact the school office and leave a message for Mrs Dougherty.

Western Zone Cross Country

Letters went home with students on Friday. Please make sure that your child has handed in written permission to be on the trip.

Hockey

On Saturday, 11 players turned up in the rain to play against Mt Roskill Intermediate, at Avondale College. Unfortunately for Mt Roskill Intermediate, only 6 of their players turned up, which meant they defaulted the game and we won. We played a friendly game against the small team and won 8-0. Player of the day was Megan MacLean (Room 2), who played her best game to date.
