Bennett Syndicate Trip – YMCA

On Monday 23 August, the Bennett syndicate went to the YMCA in Massey as part of our sustainability unit. We have been learning about healthy diet and exercise choices we can make, to sustain our bodies. We have also been looking at sustaining our family story through the generations. At the YMCA the students got to participate in a variety of exercise programmes which included Zumba, gymnastics, basketball and badminton. The students also enjoyed a session with a librarian who imparted information on sharing your family history.

Taylor Syndicate Trip — Kelly Tarltons

Last Monday, the Taylor Syndicate visited Kelly Tarltons, as part of our concept learning on Sustainability. We were able to look at different habitats and ecosystems and focussed on different adaptations of the animals. The students enjoyed the snowcat rides in the penguin enclosure, watching the live feeding of stingrays at Stingray Bay and the hands-on classroom session with one of their educators. The students were well behaved and the trip was a great success. Thanks to all the parents who were able to help on the day

Jordan Syndicate Trip—Motat

Last week, the Jordan syndicate travelled to MOTAT for their 'Changes in Technology' unit and completed the 'Mashers, Mangles and Mixers' programme. Whilst there, students took part in a classroom session where they discussed what life would have been like one hundred years ago. They were shown some household items from yesteryear, including a washing board, schoolhouse slate board and quills, and then got the chance to try a few of them out. Students also had the opportunity to explore MOTAT's other exhibits and discuss the changes in technology which have occurred over time, and how those changes have impacted people's everyday lives.

Speech Dinner

On Tuesday evening, Rangeviews' Speech Competition winner Rebecca Summers and runner - up Tatum Ngata-Warren, along with their families, were invited to celebrate at the Lions Club. It was an enjoyable evening, starting off with the girls presenting their speeches, reminding us of the fantastic effort they put into them. The Lions Club presented each contestant with an amazing framed plaque, followed by a delicious dinner and dessert. A huge thank you to Merv Doricott and the members of the Lions Club.

Late Arrivals

We are experiencing a large number of students who are consistently late with poor or no reason. If your child is going to be late, please ensure you write a note or call the school giving the reason. Children who are frequently late and/or do not have a valid reason, will be sent to timeout at morning tea.

Cellphones

Students are reminded that they are required to hand in their cellphones as soon as they arrive to school. Any student found with a cellphone during the day will have the phone confiscated and a parent/caregiver will be required to collect it from the office. If a phone is not handed in to the office and it is misplaced or stolen, we will be unable to take responsibility.

Auckland Champs Cross Country

Ana Moi and Brahm Richards will be representing Rangeview on Thursday at the Woodhill Sands Event Centre. Best of luck to you both.

Congratulations

Alan Wong, Room 15, competed in the North Harbour Under 13 Badminton Tournament last Sunday. He was the winner in the boys doubles, he was also runner up in singles and mixed doubles with Jessica Taylor. Jessica Taylor Room 26 won the girls doubles and came runner up in the singles.

Alan Wong will be playing in the National U15 Championship in October in Auckland. Alex Chick Room 28 played in the junior novice table tennis tournament on the 28th of August. He played in both the doubles and singles tournament and came 1st place in both.

Leadership Day

A wonderful morning was held on Friday, with all of our school leaders (approximately 150). Our focus was on teaching and developing our leaders for the future. We were very fortunate to have an international speaker—Marcus Akuhata-Brown who has experienced amazing opportunities world wide. We were also entertained by Chang from the Erin Simpson Show and The Edge. A very worthwhile and inspirational day. Tomorrow we have another half day with Sticky TV and leaders from our local secondary schools.

Auckland Champs Basketball

This is to be held tomorrow at the Trusts Stadium. Those attending need to be at school at 8am to collect a tracksuit jacket and singlet. Meet in the gym 8:15am.

Waitakere Zone League

Rangeview teams will be competing at Kelston Boys High School on Wednesday. Supporters, please remember to honour the spirit of the game and be encouraging to the athletes and the volunteer referees. Look out for our boys kitted out in their new red and white uniform.

Wednesday Netball

Congratulations to 7a, 7d & 8b who will be playing in the finals this week. Good luck girls. Prize giving in the hall 3:15pm after school on Monday 6th September for all Wednesday netball teams. Please bring your uniform with you and we will take photos for the magazine.

Waterpolo

The turtles had another impressive win on Friday night against Ponsonby Intermediate. Lio Hope Room 22 was a well deserving player of the day for his willingness to attempt shots at goal. This team remains undefeated in the league, their team work and dedication are impressive. Rangeview school togs are currently being printed. It is hoped they will be distributed later in the week.
