Glenda Koefoed

3<sup>rd</sup> August 2018

Dear Parents/Caregivers

Many of you have been attending Secondary School open days as you prepare to enrol your child for next year. Some of the Secondary Schools in our area do entry testing to help place students in classes that will be best for their future learning. The dates and tests are organised by the Secondary Schools.

We have the following dates in our calendar:

Henderson High School 8<sup>th</sup> August at Rangeview Intermediate

Kelston Boys High School 19<sup>th</sup> September at Rangeview Intermediate

Avondale College 20<sup>th</sup> September at Rangeview Intermediate

Massey High School 27<sup>th</sup> September at Massey High School (students make their own way there)

Rutherford College 7<sup>th</sup> November at Rutherford College (Rutherford College organise transport for this)

We encourage you to enrol your child early to enable them to take part in the test at the school they are going to attend.

Kind regards,

Sandra Fraser

Deputy Principal
