

We're going on a Treasure Hunt

You will need:

- Pencil
- Treasure hunt record sheet

What to do:

- Choose one of the three lists of treasure hunt objects.

List 1: Objects in interesting places

List 2: Objects in different stages of growth

List 3: Objects that mean different things to different people

- Go outside and hunt for the objects that match the headings on your list.
- Write a description or draw a picture of your "treasure" next to the heading it matches.

Treasure Hunt Record Sheet

1		2		3	
something underneath something else		something young		something with a pleasant smell	
something between two things		something growing under difficulties		something quiet	
something above something else		something growing well		something ugly	
something in an empty place		something dried or parched		something pretty	
something you can just reach		something damaged or injured		something unpleasant to touch	
something you can't pick up		something old		something unusual	
something in a dark place		something dead		something you have never seen before	
something in a wet place		something rotting		somewhere you would like to sit
