

This time we are going for some offline activities:

Choose an activity to watch or create. You can choose a short one, or one that you will work on over the next few days. Once complete, go to the end of this page where you can review your activity. Most important...have fun!

<p>Comic Book Writing: Fold paper together and make your own comic book.</p>	<p>Write a Song: Rewrite the lyrics to a favourite song.</p>	<p>School: Teach your family something you have learned from lockdown school.</p>	<p>"I wonder" Journal: Make an "I wonder" journal to collect thoughts. What are all the things you wonder about? Example: "I wonder why moss is so spongy." "I wonder how plants grow." "I wonder how concrete is made."</p>
<p>Nature art: Using materials found all around the outside of your house, create a piece of art or a self-portrait. Think leaves as hair, moss as eyebrows, rocks as eyes, etc.</p>	<p>Pet Research: Want a pet? Research all the ways to be a good pet parent, present the information to your parents. Make a brochure, poster or a Power Point.</p>	<p>. Make a code: Create your own alphabet code and write some secret notes (example - a is z, b is y, c is x etc.)</p>	<p>You're already an expert in something. Write up information on that topic and present it to your family at dinner</p>
