Dear Rangeview Intermediate Whānau,

We are excited to share some important news regarding the new school uniform that will be introduced at Rangeview Intermediate starting in 2025. After extensive research and consultation with our community, staff, and students, we have finalised the design and details of the new uniform and logo.

New Uniform Introduction: All Year 7 students new to Rangeview Intermediate in 2025 will be expected to wear the new uniform. ***The new uniform will be available from the 1st of December 2024 and can be purchased from NZ Uniforms at 7 Rata Street in New Lynn.*** We are pleased to inform you that the overall price of the new uniform is more affordable for whānau than the previous one, ensuring it is both cost-effective and high-quality.

Current Year 7 Students: Current Year 7 students progressing into Year 8 next year ***will have the option to continue wearing the current uniform for the remainder of their time at Rangeview Intermediate***. This allows for a smooth transition and respects the investment families have already made in the existing uniform.

Collaboration and Design: We have worked closely with the team at NZ Uniforms, led by Natasha McColl, to incorporate all the valuable feedback we received. Their dedication and attention to detail have resulted in a uniform that meets our needs and reflects the spirit of our school community.

New School Logo: In addition to the new uniform, we have also redesigned our school logo. Aaron Hall from SurgeCom Limited conducted thorough research into our local area and engaged with members of the Te Atatū whānau to create a logo that truly represents Rangeview Intermediate School. We are confident that the new logo will instil pride and a sense of identity in our students.

We believe these changes will enhance the sense of belonging and pride within our school community. We appreciate the input and support from everyone involved in this process.

For more information on purchasing the new uniform and viewing the new logo, please visit our school website or contact NZ Uniforms in New Lynn.

Thank you for your continued support and partnership in making Rangeview Intermediate a wonderful place for our students to learn and grow.

Ngā mihi nui,

Jesmond Filipo - Principal

NEW BEGINNINGS
TIMATANGA HOU

After consultation with our community, staff, students, and Board of Trustees, we are excited to launch our new school logo and uniform.
This update reflects our collective vision and values, symbolizing a fresh chapter for our school.
We are excited to see our students embody this new identity with pride and unity.

He Porowhita

The porowhita is the closed outer circle of the logo which represents the never ending circle of life and nature. It also stands for the belief that life is one of continual renewal.

Sunset/Ranginui

Air/sky, Atua of the sky and husband of Papa-tū-ā-nuku, from which union originate all living things.

Waitakere Ranges

Land/earth-Papatuanuku, Earth mother and wife of Rangi-nui - all living things originate from them. The Waitakere Ranges are a visable backdrop when viewed from the school grounds. The triangle designs represent the teeth of the Niho Taniwha.

Ngāti Whātua-o-Ōrākei

Ngāti Whātua is a confederation of tribes, which occupied the central isthmus during the mid-18th century.

Koru

New beginnings, learning and growing. The koru is a symbol of creation, is based on the shape of an unfurling fern frond. Its circular shape conveys the idea of movement, and its inward coil suggests a return to the point of origin.

Te Wai-o-Hua

Te Wai-o-Hua remained the main tribe on the Tāmaki isthmus well into the 18th century.

Te Kawerau-a-Maki

Te Kawerau-a-Maki is one of the older Tāmaki tribes, whose territory once extended from the Waitākere Ranges north to Cape Rodney.

Te Moanaui-ā-Toi

The Whau river and the oceans of Tangaroa. Representing the bays and views from the location. This can represent many bodies of water including local streams and waterfalls, Waikumete & Oratia Streams that run beside the school.

Harakeke

Flax was the most important fibre plant to Māori and local iwi in Aotearoa. Each pā or marae typically had a 'pā harakeke', or flax plantation. The school is surrounded by Harakeke and has become a central feature within the grounds.

Ngāti Pāoa

Ngāti Pāoa, conquered much of Tāmaki (Auckland) in separate battles. Until European contact, the tribe occupied most of the land from the Thames estuary, the Hūnua Ranges, east Tāmaki, Waiheke Island and the coast northward to Whangaparāoa.

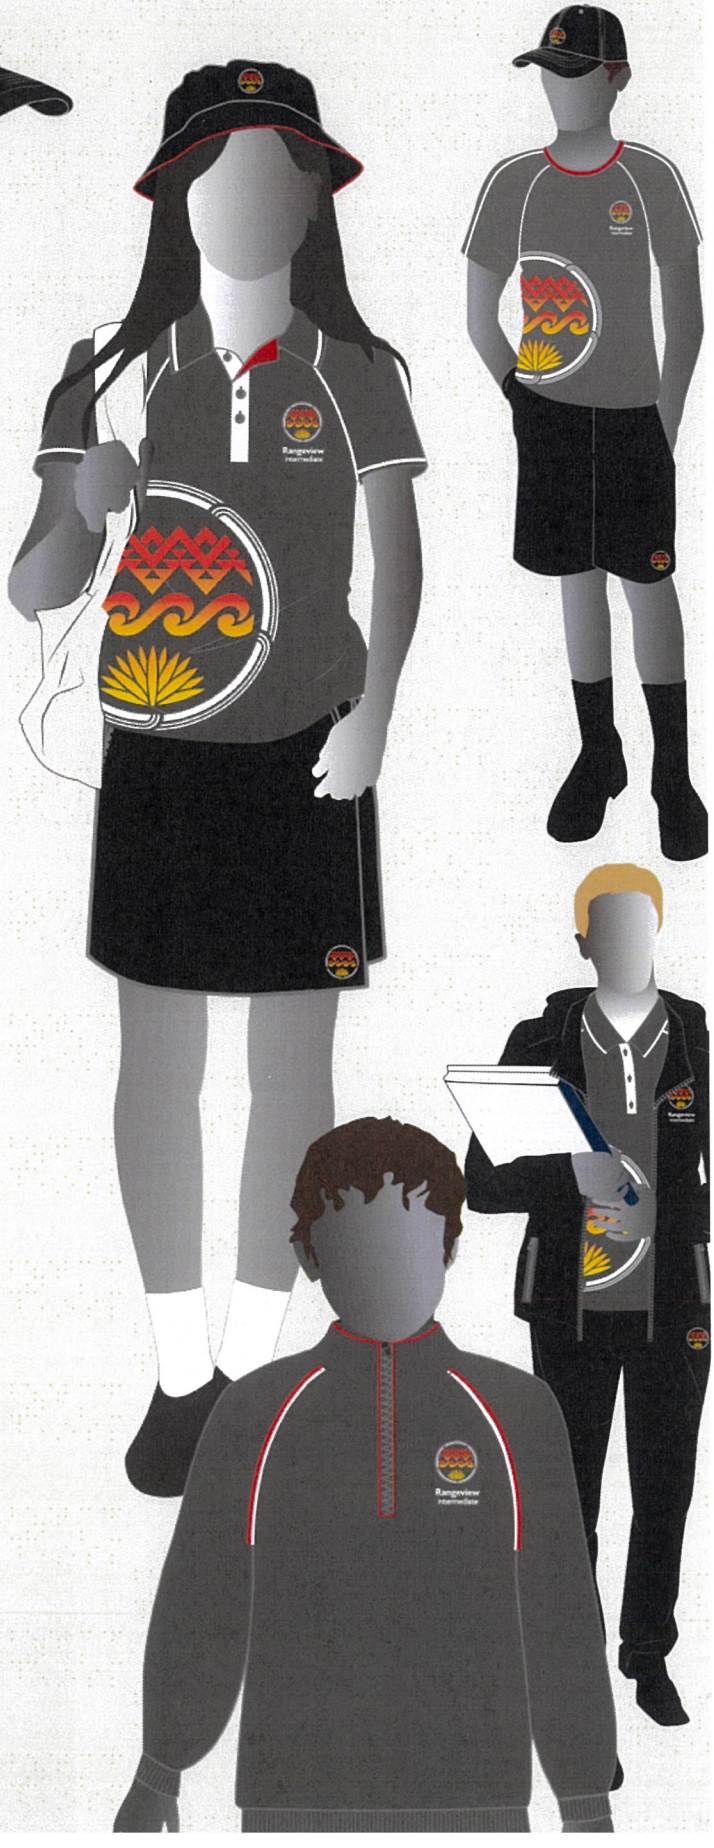

Ngāi Tai

Ngāi Tai descend from the Tainui ancestors Taihaua, Taikehu and Te Kete-ana-taua, who settled in Tāmaki when the Tainui canoe passed across the isthmus on its way to Kāwhia Harbour.

SCHOOL UNIFORM 2025

We are excited to announce that in 2025, we will introduce a new school uniform!

Year 7 students will be required to wear the new uniform, while Year 8 students can choose to wear either the current or the new uniform.

At Rangeview Intermediate, the school uniform is a key symbol of identity and belonging, recognised by the school, Board of Trustees, and community. Wearing the school uniform helps students develop pride in their affiliation with the school. The following guidelines outline our uniform policy:

1. Compulsory Uniform: Both the school uniform and the PE uniform are mandatory.
2. Correct Wear: The correct school uniform should be worn to and from school, and PE gear is only to be worn during sports days, whānau sports, team trainings and PE lessons.
3. Labeling: All uniform items should be clearly named.
4. Sun Protection: A school sun hat and cap are available for purchase. School hats are compulsory Term 1 and 4.
5. Clothing Responsibility: Students are responsible for their own clothing and should take care to avoid loss.
6. Socks - Black or white.
7. Shoes must be all black, inclusive of all labels.

Uniforms can be purchased at NZ Uniforms, 7 Rata Street, New Lynn. They carry a full range for our students. For inquiries, call 972-0272. If a student is missing any part of the uniform or is wearing an unauthorised item, a supervising teacher may request an explanatory note. A "uniform pass" will be issued for a set period during which the issue should be corrected.

WINZ quotes and payment plans are available, please see enrolment pack for more information.
